1. Personal Information	
Name	Hani AL-Zoubi
Nationality	jordanian
Contact Information	Computer Engineering Department Faculty of Engineering Mu'tah University P.O.Box (7) Postal Code 61710 Mu'tah, Al-Karak Jordan Email: hanirash@yahoo.com or hanirash@mutah.edu.jo

2. Academic Qualifications				
	University	Year	Country	Major
B.Sc.	Vinnitsia State Technical University.	1998	Ukraine	Electrical and Computer Engineering
Ph.D. and M.Sc.	Vinnitsia State Technical University.	2003	Ukraine	Optoelectronic Devices For Recognition of Images of Biomedical Information

3. Research and Teaching Interests
Digital Image Processing Fuzzy logic and neural networks applications Multimedia transmission/reception over telecommunications networks Object-Oriented programming Data Structures and Algorithms software Engineering Data Base Systems

4. Publication			
Title	Journal	Publication Year	Volume Number
Scheduling of Divisible Load Execution Time Based on Power Consumption	Mu'tah Lil Buhuth wad-Dirasat	2007	Vol.22.

Quality of Service Measurement Using Artificial Neural Networks	International Review on Computers and Software	2012	Vol. 7
A novel Multicast Routing Protocol for Ad Hoc Networks	European Journal of Scientific Research	2012	Vol. 83
Performance Analysis for the Effect of Maximum-Header-Length in DSR MANET	Middle East Journal of Scientific Research	2012	Vol. 11
Analysis of images of secondary fluorescence for diagnosis of cornea diseases	Measuring and computing engineering in technological processes	2000	Vol.3
Methods and means of identification of biomedical information based on KVP-transformations	Visnyk VPI	2003	Vol.1
Correlative processing of images applying non-coherent processors	Measuring and computing engineering in technological processes	2002	Vol.2
